Clicker Question Scoring:

No Answer: 0 points

Incorrect answer: 2 points

Correct Answer: 3 points

Test Schedule:

Midterm 1: Wednesday, February 19th (in class)

Midterm 2: Wednesday, April 9th (in class)

Final: 7:30am – 10:00am Monday, May 5th (in class)

Communication:

Outside of class I will communicate with you via email but primarily through the “News” section in D2L so check it early and often.

Test Policy:

There will be no makeup exams. If you miss a midterm the percentage of your final grade that the missed exam represents will be added to the final exam. For example if you miss the first midterm the final will count as 50% of your grade rather than 30%. There is no make up policy for the final. If you miss the final you get a zero, no exceptions. However if you have three or more final exams scheduled on the same day, you are entitled to arrange an alternate exam time for the last exam or exams scheduled on that day. To qualify for rescheduling, you must provide proof that you have three or more exams on that day. Arrangements must be made with me no later than the end of the 6th week of the semester.

Laptop Policy:

Although I may be using technology to present the class to you, the best way to take notes in math class is good old paper and pencil. In accordance with this **Open laptops will not be allowed in class at any time**. It is my experience that the temptations of the Internet are too great for the average student to resist and such activities are highly distracting to other students around you. I will enforce this strictly.

Other Notes:

Student with Disabilities:

If you qualify for accommodations because of a disability, please submit to me a letter from disability services in a timely manner so that your needs can be addressed. Disability services
