

UNIVERSITY OF COLORADO BOULDER

The Economics Major with International Emphasis is designed for qualified economics majors who have an interest in taking courses with an international perspective both within the Economics Department and in other departments. This program is recommended for Economics majors who are considering careers in international fields, e.g. economic development, international law and diplomacy, international business, or international education and international non-profits. Students completing this program will receive a certificate from the Economics Department upon graduation. Completing this emphasis does not provide a distinctive diploma/transcript.

The International Emphasis may be added to the Economics major track after the student has completed at least two of the following intermediate-level courses (ECON 3070, 3080 and/or 3818), and attains at least a 3.0 GPA in the economics major and for two of the three stated courses. Students interested in adding this emphasis should contact their Economics advisor once they are in compliance with these conditions. All Economics and ancillary courses applied to the emphasis must be completed with grades of C- or better. A student's major GPA must be at or above 3.000 at the time of graduation for the emphasis certificate to be awarded.

Students must complete **at least 32 hours of Economics courses plus 9 hours of upper-level coursework**

- Option 2 MATH 1330 Calculus for Social Sciences/Business (4 hrs.) *Prerequisite: ECON 1078, Math Tools for Economists I*
- Option 3 MATH 1300 _____

II. REQUIRED COURSES OUTSIDE ECONOMICS

Students must complete 9 hours of upper division course work in other departments. The following is a list of courses in other departments that may be used to satisfy this requirement. Students are responsible for completing the prerequisites needed for the courses they choose. With presentation of a course syllabus, the Associate Chair for Undergraduate Studies will consider topically relevant courses on a case-by-case basis for fulfillment of the required ancillary course work in substitution for those listed below. Transfer students must complete at least 6 hours of this ancillary course work at the University of Colorado Boulder.
