A a D a b T a M a C a M a l a

A diagram consisting of a vertical line that intersects a horizontal line. The vertical line is positioned between the letters 'D a b' and 'T'. There are two horizontal lines above the text: one starting from the vertical line and extending to the right, and another starting further to the right and extending to the right. There is also a horizontal line below the text, centered under the space between 'a M' and 'a C'.
