BLACK STUDENT ALLIANCE | UNIVERSITY OF COLORADO

The Black Student Alliance categorically condemns actions of the CU Boulder student

who harassed our brother by making racist comments while he was studying in the Engineering Center. Further more her actions coupled with other racist and hostile behaviors in the Engineering Center created a hostile environment where all students, regardless of racial identity, can feel

unsafe. As such we issue the following demands to the University of Colorado Boulder. As such we issue the following demands to the University of Colorado

As such we issue the following demands to the University of Colorado

ii.

As such we issue the following demands to the University of Colorado

iii.

As such we issue the following demands to the University of Colorado

As such we issue the following demands to the University of Colorado
